Rebecca,

I wanted to confirm our meeting next Tuesday November 8 from 12noon to 2pm here at EPA Region III. Our address is 1650 Arch Street, Philadelphia 19103. Unfortunately, as I indicated to you, I will be out of the office next week. If you have any concerns/questions after today, you can contact Trish Taylor at 215-814-5539 or Dave Polish at 215-814 -3327, who will both be attending the meeting.

As we discussed, this is a private meeting, closed to the general public and press. We will have representatives from our water, air and emergency response programs to hear your concerns. We view this as a listening session and your opportunity to express your concerns. I think the meeting will be most productive if you have specific/concrete issues that you're seeking to address. We have notified PADEP that we are meeting with you and other concerned citizens, but at your request PADEP will not be present. We do not think it would be productive for the meeting to be videotaped as we also discussed, but we will ask all attendees to sign in and we will take notes.

Please note that when you visit our office you need to enter our building at the Arch Street entrance. Once inside you will be directed to the EPA entrance where all visitors are required to go through a metal detector (just like going to the airport). All visitors must show a government issued photo ID (driver's license is easiest) to enter EPA space. Trish and Dave plan to greet you in the lobby, but if you are very early please give the EPA guard their names and they'll meet you and take you to the meeting room.

Please pass this email along to the other meeting attendees to ensure that everyone has a similar understanding of logistics and what to expect of the meeting. If you have any additional attendees, you need to provide those names to Trish and Dave ahead of time.

Please let me know if you have any questions or concerns.
